

### Remarks

A Notice of Allowance was mailed February 14, 2007. In the Notice of Allowance claims 11-20, 22, 28, 34, 44 and 45 were allowed. No amendments to the claims are presented herein.

The amendments to the specification are to correct a typographical error in the title and to correct the specific reference to the earlier filed application submitted January 28, 2005. During a review of the application after allowance applicants' representative noticed that the application serial number from the international application cited in the Preliminary Amendment was incorrect. The amendment is to insert the correct serial no. The correct serial number was submitted on January 28, 2005 in the **COMBINED DECLARATION AND POWER OF ATTORNEY**. No new subject matter is added. This Amendment corrects only a clerical error, does not affect the substance of the examination and does not require a new search. Therefore, entry is appropriate under Rule 312, and is respectfully requested.

**Summary**

Applicant respectfully requests entry of the Amendment and further requests Allowance and Issuance of the Application.

Respectfully Submitted,
